F (505) 255-1852

UPDATE: 10/12/2020

Dear Patients,

🙅‍♂️ We no longer offer telemedicine (video visit) patients.

For sick patients: Due to the lack of PPE and space, we are not triaging patients through the telephone, therefore we recommend you go to urgent care/emergency department.

🏠 Due to Covid-19 situation, we change our business hours from 9 am to 5 pm, Monday to Saturday. (Closed 12:30-1:30 for lunch)

😬 Please wear mask when you come for appointment!!

And we are currently allowing one parent/guardian per one patient. No additional children allowed who are not being seen for the appointment.

👨‍⚕️ Health Experts/officials are recommending that children keep/catch up with the immunizations schedule. Call 255-1866 for scheduling newborn/infant/toddler Well Check and Immunization appointment.

🍀 Also, we want to have you back for Well Check for all ages until 18, for school, camp, and sports! Call 505-255-1866 for appointment.
